

### MODULE 7

#### **1 *Getting Connected and Growing Yourself***

What tugs at your heart to give back to your community? What event do you like to support in your city and allows you to get to know others? Make a list then start with one and get connected.

#### **2 *Promoting Yourself***

If you are not excited about starting your new career when you pass put your cards, they won't be excited to give you a chance. Attitude is the key when you are promoting yourself.

#### **3 *Finding a Mentor***

Join my next courses and allow me to guide and mentor you with systems that work and grow your career, so you do not have to wonder what to do next. It is all mapped out for

#### **4 *Joining Associations***

Get involved in the industry. Stay ahead of the curve and be informed on a regular basis.

#### **5 *Continuing Education***

Put into practice what you are learning today. If all you do is watch the videos and not implementing what you are learning, then it is all just a form of entertainment.

#### **6 *Dreaming About Your Perfect Client***

Build a board of what your future client looks like and start to turn your dreams into a reality. When that perfect client sits in your chair you will know what they look like for you. This will be your ideal client and you will want as many of these clients in your chair as possible.

#### **7 *Reading Makes You Smart***

The future boards are one of my personal favorites. This can be used for your business, family life or just you, personally. This resets your mind to focus on the future not the past. It helps you stay intentional in reaching your goals.

#### **8 *How to Use Your Time to Your Advantage***

8. Each step you take moving forward will lead you into a Total Stylist. Join me in my next courses where we give you the tools, systems and processes to finish becoming THE TOTAL STYLIST.
